

The McChord Way...Excellence, Innovation, Respect

62 AW/CC Roll Call

2 Feb 2017

Team McChord,

I hope you are as excited as I am. On the first Friday of the month, we have our Lunch and Leadership Lectures held at the Chapel Support Center. One of my top priorities is to **Develop and Care for Airmen and Their Families** and this lecture series provides an informal professional development outlet.

This lecture series occurs at the same time [1130-1230], on the same day [1st Friday], and at the same location [Chapel Support Center] each month. It's an informal environment open to all of Team McChord. If you have time, bring your lunch and "brown bag it" while you get to discuss and ask questions with some amazing people. Guest speakers come from varying backgrounds, including active duty leadership, civilians, and retired military personnel. Past speakers have included CMSgt Cary Hatzinger (ret.), a former 62d Airlift Wing Command Chief and current Dept of Defense employee, and Major General Don Brown (ret.), a former 22 AF Commander and 62d Airlift Wing Commander.

Don't forget to check out the JBLM Standards Book . This document talks about everything from our history, the Do's and Don'ts to be mindful of while assigned to JBLM, as well as the Vision and Purpose for all Airmen and Soldiers stationed here. Please take some time to familiarize yourself with this document. You can review it on the 62 AW SharePoint [here](#).

This month we have Ms. Anne Sprute discussing *Transition Success 101*. For those that don't know Ms. Sprute, she is the founder and CEO of RallyPoint 6, or RP/6. This local organization helps transitioning servicemembers, veterans, and family members to develop a clear action plan when entering the private sector. Ms. Sprute is also the Senior Vice President of Transition Strategy and Innovation for the USO as well as our 62d Airlift Wing Honorary Wing Commander. See Ms. Sprute's bio [HERE](#).

Thank you for everything you do as you serve our nation. We wouldn't be the greatest Air Force in the world if we didn't take the time to develop and groom our future leaders. Opportunities such as this are a small investment in time that pay big dividends down the road.
