

The McChord Way...Excellence, Innovation, Respect

62 AW/CC Roll Call

6 April 2017

Team McChord,

One of the pillars of the **McChord Way** has always been to **Treat Everyone with Dignity and Respect**. We are reminded of the importance of these values as we begin April and Sexual Assault Awareness & Prevention Month. It is our duty as professionals to eliminate sexual assault from our ranks, as every member of our team deserves a safe and professional environment to work in. Anything contrary to mutual respect is letting our fellow Airmen down and inconsistent with our values.

The month of April brings with it another opportunity to care for our fellow Airmen as we kick-off the annual Air Force Assistance Fund Campaign. This year's campaign will last from 10 April to 19 May with the goal of raising \$51,576. During this time, our volunteer force will seek 100% contact and give members the opportunity to donate to the four member charities that comprise the AFAF. Please consider attending the Kick-off Event being held at 1500 this afternoon at the Chapel Support Center, reviewing the attached letter, or contacting your unit representative for more information on this very worthy cause.

On the Horizon...
AFAF Kick-Off Event (6 April)
Lunch & Leadership Lecture (7 April)
Wing Commander's Call (4 May)
See the current McChord Bulletin for a complete listing of upcoming events [HERE](#)

On this Friday, 7 April, Team McChord has the distinct privilege of welcoming one of our local civic leaders, Mr. Devin Craig, to take part in the latest installment of our Lunch and Leadership lecture series. In addition to being the Honorary Commander of the 4th Airlift Squadron, Mr. Craig is currently a part owner and the Director of Operations of a Jimmy Johns franchise group in Pierce County. In his talk titled "What Exactly is Leadership?" he will lead a discussion on different types, styles, and definitions of leadership from his perspective in corporate America. The presentation is open to all Team McChord members and will take place at 1130 in the Chapel Support Center. Please make plans to attend with an open mind and your lunch as Mr. Craig is sure to offer a memorable presentation.

Don't forget to check out the JBLM Standards Book . This document talks about everything from our history, the Do's and Don'ts to be mindful of while assigned to JBLM, as well as the Vision and Purpose for all Airmen and Soldiers stationed here. Please take some time to familiarize yourself with this document. You can review it on the 62 AW SharePoint [here](#).

Thank you for all that you do on a daily basis to help Team McChord **Deliver Safe and Reliable Global Airlift**. I am proud to serve with each of you and constantly impressed as you exemplify the **McChord Way**.

MEMORANDUM FOR TEAM MCCHORD PERSONNEL

FROM: 62 AW/CC and 627 ABG/CC

SUBJECT: Air Force Assistance Fund Campaign

1. The annual Air Force Assistance Fund (AFAF) campaign will be kicking off on 10 April 2017, giving us all another opportunity to help our fellow Airmen when they need it most! The AFAF campaign supports four charities that are dedicated to caring for Airmen from induction through retirement and beyond.
2. The four charities are the Air Force Aid Society, the General and Mrs. Curtis E. LeMay Foundation, the Air Force Village and the Air Force Enlisted Village. These are not charities you will see in your CFC lineup; they are an example of Air Force people taking care of their own—Airmen helping Airmen. Our annual campaign demonstrates the fact that we, as Airmen, *take care of our own!*
3. Our goal for this year is \$51,576, and you should soon be seeing a Key Worker visiting your work center to let you know about the charities, answer any questions you may have and give you the opportunity to donate, if you should so choose. You will also be able to participate in fundraising events by way of helping or donating—either way, please get involved if you can! We invite our private organizations and units to be creative and have fun with your fundraisers for AFAF over the next six weeks.
4. While the average Air Force base has historically had between a 19 and 30% participation rate from their active duty members, we believe Team McChord is far ABOVE average! The 62d Airlift Wing and 627th Air Base Group leadership hope that everybody seriously considers donating to one of these four worthy charities. Just a few dollars a month from your paycheck will ensure your fellow Airmen will have the assistance they need when they need it the most. You may just find in the future that you have “paid it forward”, and our AFAF charities will be there for you, should you need them.
5. Thank you for continuing the proud “Commitment to Caring” tradition through giving to the AFAF campaign.
