

The McChord Way...Excellence, Innovation, Respect

62 AW/CC Roll Call

8 Sep 2016

Team McChord,

Next week we will observe POW/MIA Remembrance week. This is a time to pause and remember the sacrifices and service of those who were prisoners of war (POW), missing in action (MIA), and their families. Through the efforts of organizations like the Defense POW/MIA Accounting Agency, our nation's resolve to bring home those still unaccounted for remains strong. Everyday our nation continues to search for missing personnel and, when found, bring them home. This year, we have several events planned to honor those who have given so much in defense of this great nation. I'd like to say thanks to all those who organized and will participate in this year's POW/MIA events paying tribute to our American heroes. ***POW/MIA...YOU ARE NOT FORGOTTEN!***

Speaking of American heroes, the theme of this year's AFA ball is "Extraordinary Airmen Through Time." Each table will feature an extraordinary Airman with ties to McChord Field. In keeping with the "Through Time" theme, we want to feature YOUR Extraordinary Airmen alongside the historical figures at each table. If you have an Airman that you would like to have featured, please contact MSgt Todd Wivell [here](#).
