

*The McChord Way...Excellence, Innovation, Respect*

62 AW/CC Roll Call

1 Sep 2016

**Team McChord,**

Thank you for your support for the 2016 Joint Airshow & Warrior Expo this past weekend! Preliminary estimates for attendance indicate nearly 81,000 came out to enjoy the festivities! I know it was a lot of work and coordination. Every Airman played a role in the Airshow & Warrior Expo even if you weren't on the tarmac or flying for the crowds this weekend. It proved once again that our strong **Joint Base and Team McChord Partnerships** enabled a successful and safe execution. The overall feedback from the community has been very positive.

This weekend we celebrate Labor Day. In order to give you back some time with your family and friends, Friday has been designated a family day for Air Mobility Command. Labor Day is often associated with the end of summer as kids go back to school. Celebrated annually on the first Monday of September, for many of us it is a welcome day off from work, ahead of what is likely to be a busier month than the last. However, for some Team McChord Airmen, I understand our mission does not always allow for a long weekend. For that, I want to thank each of you for supporting our nation over the holiday. Have a plan...and enjoy a safe Labor Day weekend!

**Air Force Association Ball [23 Sep]**  
The 2016 Air Force Ball will be on Friday, 23 Sep 16 from 1800-2300 at the LeMay-America's Car Museum in Tacoma. The theme of this year's ball is "Extraordinary Airmen Through Time." We are excited to welcome General Paul Selva as this year's guest speaker. Gen Selva is a former 62 AW/CC who currently serves as the Vice Chairman of the Joint Chiefs of Staff. For ticket prices or to RSVP, please click [here](#).

**On the Horizon...**  
**AMC Family Day [2 Sep]**  
**Labor Day [5 Sep]**  
**POW/MIA Week [12-16 Sep]**  
**AFA Ball [23 Sep]**
