62 AW/CC Roll Call

29 January 2014

Team McChord,

*In the next few days **Team McChord** will welcome **General Mark Welsh**, our **Chief of Staff of the Air Force**, as he comes to visit JBLM. General Welsh and his wife Betty arrive on Friday, 31 January. They will be touring Team McChord units and meeting our Airmen on Monday, 3 February and briefly on Tuesday, 4 February before departing. In addition to hearing General Welsh's perspective on issues facing our Nation and Air Force, this will be a great opportunity to tell him "your story" and communicate how you contribute to our mission as Airmen. Stay tuned for more information about the CSAF's "All-Call" and other events—let's be ready to put our best foot forward to welcome General Welsh!*

NEW FY 2014 FORCE MANAGEMENT PROGRAM INFO

AFPC continues to release updated information about the force management programs affecting many of our Airmen. Please visit the myPers website regularly to familiarize yourself with recent changes, such as the **updated PSDMs** released last week, **new AFSC-specific information**, and details on **VSP timelines**. The website highlights the most recent changes in yellow for quick reference. Some of these programs will affect your ability to transfer Post-9/11 GI Bill benefits to family members, so please make sure you understand the details of each one. As always, talk to your chain of command or contact FSS if you have any questions. You can also visit the [Air Force Portal](#) and [myPers Force Management Page](#) for details.
