62 AW/CC Roll Call

7 February 2014

Team McChord,

*I'd like to thank you all for a **job well done** this past week as we hosted General and Mrs Welsh. Chief and Ms. Betty walked away with a better understanding of the amazing things Team McChord Airmen do for our nation everyday! Simply a flawless event, both because of the many hours of preparation by the event team and because of the work that you already do every single day. A special call out to our **front-line supervisors** who lead our troops daily and make our mission happen are critical to the success of our Air Force. As General Welsh noted, you are a key element in upholding standards of excellence, knowing and serving our Airmen, and finding new and better ways to get the job done. Everyone at JBLM played a part in making this a most memorable visit. I'm proud to serve with you—thank you!!*
