Innovative Airmen...Airlift Excellence...Respect For All!

62 AW/CC Roll Call

5 June 2014

Team McChord,

Many of you have learned of the significant number of VSP and TERA applications recently approved by AFPC. To those who will be transitioning from active duty in the near future, THANK YOU! I offer my sincerest gratitude and appreciation for the sacrifices you have made for our country. As you and your families start the next chapter in life, I encourage you to take advantage of the great transition assistance programs here at JBLM, like the DOL Employment Workshop, which focuses on job search strategies, resume writing, networking, and job offer reviews. For those of you who will continue to serve, I challenge you to take advantage of the opportunities that await and continue to embrace the awesome responsibility entrusted to you as Airmen. I am humbled to serve alongside you every day!

Lesbian Gay Bisexual Transgender (LGBT) Pride Month

We've come a long way since the **Don't Ask, Don't Tell Repeal Act of 2010**, but we have more work to do. Part of instilling a culture of **Dignity and Respect for All** means accepting and celebrating our differences and fostering an inclusive environment. This month, the LGBT community comes together to honor the 1969 Stonewall riots in Manhattan. The Stonewall riots were a tipping point for the Gay Liberation Movement in the United States. Celebrations include parades, picnics, workshops, symposia and concerts. To find out how you can be a part of local events, contact our LGBT Pride Month POC, TSgt Rebecca Schmidt.
