

62 AW/CC Roll Call

21 August 2014

**Unit Effectiveness Inspection (UEI) Capstone 3-12 Sep**

**Team McChord,**

**Goodbye ORI, hello UEI!** The month of September is approaching fast along with our Unit Effectiveness Inspection (UEI) Capstone visit. The UEI is part of our Air Force Inspection System (AFIS), which focuses on the four Major Graded Areas (MGAs). Over the past year, we have done some heavy lifting to ensure that what we do aligns under the MGAs and that our metrics and checklists accurately measure our performance. Gone are the days of “spinning up” for an inspection. Rather, the capstone visit will be a check on how well we are identifying areas for improvement as well as allow for some external feedback on our processes. Remember, having a discrepancy item is not a bad thing as long as we identify it and have a plan to correct it! I’m looking forward to highlighting all of the hard work you do every day in making sure this Wing remains ready to answer our Nation’s call!

**On the Horizon...**

**Sports Day! [22 Aug]**

Time to put your unit pride and athleticism on display! Sports include volleyball, dodgeball, kickball, an obstacle course and more!
