62 AW/CC Roll Call

4 September 2014

## Team McChord,

This time of year always brings back fond memories of my life growing up as an Air Force “brat.” As fun as it was to move to a new place every few years, I also remember how it felt to be the new kid in school—no friends to eat lunch with, teachers who you didn’t know, and simple things like not knowing where the bathroom or gym was. As the school year gets started for many of our AF families, many AF children face similar uncertainty. It takes a lot of courage to start fresh in a new place. **So a quick and very sincere thanks to all our AF kids out there! Thanks for your courage—thanks for your sacrifice!**
