**62 AW/CC Roll Call**

**18 September 2014**

**Team McChord,**

This Friday marks a somber day of national observance as we pause to remember the sacrifices and service of those who were prisoners of war (POW), as well as those who are missing in action (MIA), and their families. It's been over 35 years since Congress took steps to officially authorize a **National POW/MIA Recognition Day**, and in that time, our resolve to bring home those still unaccounted for remains as strong as ever. With the help of organizations like the Defense POW/Missing Personnel Office and the National League of POW/MIA Families, we remain committed to those who have given so much in defense of this great nation. I'd like to say thanks to all who organized and participated in this year's POW/MIA events paying tribute to our American heroes. **POW/MIA...YOU ARE NOT FORGOTTEN!**
