

Innovative Airmen...Airlift Excellence...Respect For All!

62 AW/CC Roll Call

13 November 2014

Team McChord,

Since its inception, our country has always relied on those in the Armed Forces to help protect the freedom we along with our loved ones enjoy every day. Earlier this week we paid tribute to those currently serving and those who served before us. A celebration to honor America's veterans for their patriotism, dedication, and willingness to sacrifice so much, **Veterans Day** is an opportunity to say **thanks** for everything you do for our Nation. Representing less than one percent of the US population, make no doubt, that as service members, you are indeed an elite group of men and women capable of extraordinary feats despite the toughest of challenges. I join the rest of America in saluting you for your **continued honorable and faithful service** to a grateful Nation!

Matthew Todd Miller and Kenneth Bae Return Home:

On 8 Nov, the last two Americans being held in North Korea were reunited with their families as JBLM hosted the return of Mr. Matthew Todd Miller and Mr. Kenneth Bae. On behalf of the President and the Director of National Intelligence, Lt Gen (R) James Clapper, thanks for the care, precision, and excellence displayed by the entire team on very short notice. You made this historic moment special for all involved. I'm honored to serve alongside such incredible Airmen!
