

Airlift Excellence...Innovative Airmen...Respect For All!

62 AW/CC Roll Call

21 November 2014

Team McChord,

This time of year can be a tough time for many of us. The holiday season, though often met with excitement and joy, also represents a significant change. Shorter days, rainier weather, and colder temperatures can affect us whether we realize it or not. **Maintaining our physical, mental, social, and spiritual resilience** is foundational to who we are as Airmen, and like anything else, it takes effort. As we prepare to head into the winter months, let's be sure to remain active. Grab some Wingmen and take advantage of some of the many year-round activities both JBLM and the Pacific Northwest have to offer. Doing so will go a long way in combating those winter blues!

New 62 AW Vision Statement and Priority:

On 17 Nov, 62 AW senior leadership conducted an off-site event to discuss our strategic direction. I'm pleased to announce both a new vision statement and a new priority for the Wing. First, we modified the 62 AW vision statement to **"Airlift Excellence...Innovative Airmen...Respect For All!"** in order to embody the spirit of mission first, people always. Second, we added a priority of **"Enhancing Team McChord Partnerships"** to reinforce our commitment to the collective success of all of our mission partners.

PROFESSIONALS OF THE WEEK

SrA Veronica Will, 627 LRS

SSgt Edward Lamar, 627 LRS
