

Airlift Excellence...Innovative Airmen...Respect For All!

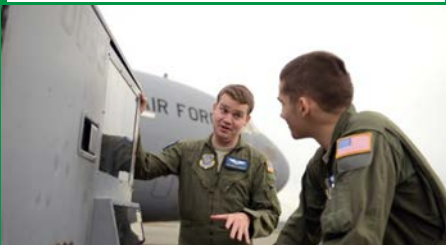

62 AW/CC Roll Call

25 November 2014

Team McChord,

As we head into the Thanksgiving break and the start of the holiday season, now is a great time to pause and reflect on the many things for which we can all be thankful. So while spending time with loved ones, enjoying your favorite Thanksgiving dish, or simply relaxing during some well-deserved time off, take a few moments to think about what this time of year truly means to you. Remember those Airmen who are out **Executing the Mission**. Our collective sacrifices and the sacrifices of our families are what continue to enable us to protect the freedoms we enjoy every day – freedoms like relishing in the natural joy that comes from being around family, friends, food, and football! For the adventurous folks who will be out early shopping for those Black Friday door-busters, please remember to use sound judgment and think safety first. Let's continue to take care of ourselves and one another by making good decisions and embodying the Wingman concept. On behalf of all of our Team McChord leadership, I offer my **sincerest thanks** for what you do along with best wishes for a very safe and **Happy Thanksgiving!**
