

Airlift Excellence...Innovative Airmen...Respect For All!

62 AW/CC Roll Call

30 January 2015

Team McChord,

This weekend Seattle and New England will battle it out to see who prevails as Super Bowl champs. Whether you embrace the spirit of the 12th man or you are a diehard fan of the Patriots, a positive attitude impacts success. No matter how tough the terrain or challenging the obstacle, when the cleats meet the grass, a positive attitude is a force multiplier for any championship team. Coincidence or not, a positive attitude and the math behind good, data-driven decisions go hand and hand. If we assign the alphabet value with each letter of the word, we find that **A-T-T-I-T-U-D-E = 100%**! Find an Airman with a great attitude and you will probably find someone who gives 100% effort. Remember...being an innovative Airman is more than a job...it's a way of life!

A(1)+T(20)+T(20)+I(9)+T(20)+U(21)+D(4)+E(5) = 100%
