

*Airlift Excellence...Innovative Airmen...Respect For All!*

62 AW/CC Roll Call

25 March 2015

Team McChord,

Believe it or not, the concept of joint basing is still relatively new. Every day many of us get the opportunity to work directly with **our Joint Base partners**, further solidifying those relationships and processes that are so important for our success. Fortunately, we serve alongside some amazing Airmen who truly understand what it means to **embody Joint Operations**. Airmen like A1C James Salazar of the 627th Civil Engineer Squadron who was the 2014 military firefighter selected to receive the Installation Management Command (IMCOM) Fire and Emergency Service Award. A1C Salazar is the third consecutive Air Force firefighter from JBLM to win the Army Major Command's award and is a testament to the incredible pride, passion, and professionalism our talented Airmen bring to the mission. Thanks to A1C Salazar and all our Team McChord Airmen for the incredible work moving joint basing forward!

MSgt Kenley (Ret) awarded The Honorable Order of Saint Barbara!

*MSgt Justin Kenley (Ret) receives The Honorable Order of Saint Barbara for his work with the High Mobility Artillery Rocket System (HIMARS) and M577 units on JBLM. This award recognizes individuals who demonstrate the highest standards of integrity, selflessness, and moral character; display an outstanding degree of professional competence; and contribute to the promotion of the Field Artillery.*
