

Airlift Excellence...Innovative Airmen...Respect For All!

62 AW/CC Roll Call

2 April 2015

Team McChord,

During the course of our lives, all of us will probably go through some times when we need a little help. One of the greatest things about our Air Force family is how well ***we take care of one another***. The ***Air Force Assistance Fund (AFAF)*** is a terrific example of just how well we do this. AFAF is a program that, among other things, provides critical support in the form of emergency financial aid and educational assistance to Airmen and families during times of need. Last year alone, the AFAF gave over \$166,000 to Team McChord Airmen helping us with vehicle repairs, rent/mortgage, and car payments. The AFAF also helped offset out of pocket food, mileage, and care giving expenses so our Airmen could focus on being there for loved ones during tough times. Thanks to all who've donated and continue to donate to this very worthy cause. ***Airmen serving Airmen***—it's who we are and it's what we do!

Air Force Assistance Fund

The 2015 AFAF campaign kicked off on 2 Feb. The purpose of the AFAF is to raise funds for the four charitable affiliates that support the Air Force family. These four affiliates are the Air Force Aid Society, Air Force Enlisted Village, The Lemay Foundation and the Air Force Villages Charitable Foundation. To find out more about the great work the Air Force Assistance Fund does for our Airmen and how you can contribute, click [here](#).

McChord Field POCs
