

Airlift Excellence...Innovative Airmen...Respect For All!

62 AW/CC Roll Call

28 May 2015

Team McChord,

Airlift Excellence...Innovative Airmen...Respect For All! Our 62 AW Vision statement helps keep us oriented and focused on the forest rather than the trees, a particularly useful analogy as we sit in the shadow of Mt Rainier, surrounded by forests of evergreens (ba-dum-bum). Seriously, though, we should always keep the words of our vision statement in the back of our minds as we accomplish our mission every day. **Airlift Excellence** echoes our core value of **Excellence in All We Do** and allows us to set and maintain the highest standards here at McChord—standards that we have become known for as we execute our Global Reach mission! **Innovative Airmen** reminds us to be good stewards of our resources in this fiscally constrained environment and encourages us to come up with more effective and efficient ways of doing business. Finally, **Respect For All** creates the foundation for a positive and respectful workplace that is professional and enjoyable—a workplace that accepts diversity and values all our differences! Our Air Force is full of talented and creative Airmen. Let’s keep an “eye” on our 62 AW Vision. Just remember: **A**(irlift Excellence) – **I**(nnovative Airmen) – **R**(espect for All) Power—**AIR POWER!**
