62 AW/CC Roll Call

3 June 2015

Team McChord,

Tuesday evening you might have noticed a little more noise than usual coming from the flightline. If you missed it, we were executing a local training exercise involving 12 C-17s! Last week, I wrote about our 62 AW vision and its direct relationship to **AIR Power [Memory jogger: A = Airlift Excellence, I = Innovative Airmen, and R = Respect for All]**. Wednesday was a perfect example of this vision statement and **TEAM** McChord's ability to deliver **AIR Power** anywhere in the world. Whatever you're doing to support our mission, **as Airmen we must always be ready to respond!** Are we ready for the unexpected phone call that comes before we sit down for dinner? Are we ready to support the short-notice launch of a 12-ship of C-17s to execute a low-level mission below radar in a hostile environment? Are we ready to operate into the most austere airfields and drop zones...inserting ground troops...providing humanitarian aid...rescuing fellow Americans? This is what **we do**, this is what Team McChord **AIRMEN** do, and this is what you do every day—better than anyone else in the world! **So THANK YOU for what you do every day and remember: BE READY!**

**On the Horizon...**
