

*Airlift Excellence...Innovative Airmen...Respect For All!*

**62 AW/CC Roll Call**

**11 June 2015**

**Team McChord,**

Change. It's one thing we can always count on in the military! Whether we're TDY or deployed, learning a new job, or getting ready to PCS, our work is always changing. As professional Airmen, every change we encounter is an opportunity to **adapt** and showcase our **flexibility**. There is a lot of change on the horizon for Team McChord. From summer moves to changes of command, we will be busy saying farewell to many of our Airmen, and at the same time welcoming many others to the Pacific Northwest! Change of command ceremonies are rooted in military tradition and an important part of our Air Force heritage. As we honor the outgoing commanders this summer, let's welcome the incoming commanders and show off our ability to **adapt!** Things will always continue to change throughout your military career...be receptive to the changes and think about how you can **innovate** and continue to **execute our mission with excellence!**

*Please join us for the following change of command ceremonies this month:*

627th Logistics Readiness Squadron

1st Weather Squadron
