

Airlift Excellence...Innovative Airmen...Respect For All!

62 AW/CC Roll Call

15 July 2015

Team McChord,

Last week Team McChord had the opportunity to display our capabilities by participating in Talisman Saber, a Multi-National Joint Force Exercise. This exercise is the Australian Defense Force's largest warfighting exercise, involving almost 30,000 troops from the US, Australia, New Zealand and Japan. A C-17A formation of six aircraft—including many Team McChord Airmen—flew a demanding 17-hour direct flight from Alaska to Australia to conduct an airborne insertion of the 2/75th airborne infantry. The USAF has the ability to project military power anywhere across the globe, and YOU demonstrated it to the world last week! Whether you work the flight line, manifest and load cargo, work in medical or mission/Joint Base support, or support Airmen and their families, you all had a part in making this a success. Thank you for your continued hard work, professionalism, and dedication to our mission!

25th infantry parachutes from a C-17 into Kapyong Airfield, Australia
