

The McChord Way...Excellence, Innovation, Respect

62 AW/CC Roll Call

15 Apr 2016

Team McChord,

I'd like to put the spotlight for a moment on a program that undoubtedly falls in line with one of my five priorities for the Wing...to **Develop and Care for Airmen and Their Families**. The Team McChord Key Spouse Program serves as a conduit of information from unit leadership to unit spouses. Key Spouses also provide needed emotional/social support as well as information, resources and referral services for spouses of the deployed as well as newly arrived spouses. Similar to how air refueling tankers allow us to extend our reach capabilities, our Key Spouses are force multipliers that enable us to **Deliver Safe and Reliable Global Airlift** by allowing us to focus on the mission!

I had the pleasure of speaking at this week's Key Spouse appreciation luncheon on Wednesday afternoon. The effort and dedication from all the Key Spouses and Team McChord personnel to execute such a successful luncheon simply amazes me! I am excited that the week concludes with a Team McChord spouse's flight on Saturday morning. The spouses will receive a mission brief followed by a 90-minute flight. As one of my Wing priorities, we will continue to advocate for our families. Without question, all Team McChord spouses are a vital part of our Air Force family.

Thank you for all you do!

On the Horizon...
