

The McChord Way...Excellence, Innovation, Respect

62 AW/CC Roll Call

1 Jul 2016

Team McChord,

As we celebrate our Independence Day and enjoy this time off with our friends and families please take a moment to reflect on the ideas that drive this great nation and the men and women who have and will continue to sacrifice their lives to protect those ideas both at home and abroad. Every day, Airmen from Team McChord are called upon to support and defend the idea “...that all men are created equal” as well as secure the rights of “...life, liberty, and the pursuit of happiness.” Your dedication, hard work, and service ensure “We” provide **Trusted, Responsive Worldwide Airlift** and deliver when called upon.

As the summer quickly moves along, our operations tempo does not appear to be slowing in the near future. Realize that your effort and service do not go unnoticed and you are making an impact directly and indirectly around the world each and every day. Thank you for your service and please safely enjoy your well-deserved time off.
