3-PARTY CONFERENCE CALL

1. Place caller on hold by pushing the “Flash” button. If you don’t have “Flash,” then momentarily depress the receiver button.
2. Listen for special tone.
3. Dial the number for the party to add to the call.
4. When the third party answers, press “Flash” (or depress receiver button if you don’t have a “Flash” button) again to connect everyone.
5. If third party does not answer or line is busy, push “Flash” (or receiver button) *twice* to reconnect with the original party.

3+ PARTY CONFERENCE CALL

1. Call the NEC Customer Service Center at 966-5256 and request a bridge number.
2. Inform all parties to dial into the bridge number at the time you want to hold the conference call. (The bridge number is usable only for the assigned period.)
3. The host should dial into the bridge a few minutes before the conference call to greet the incoming callers. The system will provide a ringtone until the second party dials in. The first caller must be on a local government phone number.

TRANSFER A CALL TO ANOTHER NUMBER

1. Place caller on hold by pushing the “Flash” button. If you don’t have a “Flash,” then momentarily depress the receiver button.
2. Listen for special tone.
3. Dial the number you want to transfer the caller to.
4. When the transfer party answers, announce the caller to the transfer party, then press “Flash” (or momentarily depress receiver button if you don’t have “Flash”) to transfer the caller, then hang up.
5. If transfer number does not answer or line is busy, push “Flash” (or receiver button) *twice* to reconnect with caller you have on hold.
