

*The McChord Way...Excellence, Innovation, Respect*

62 AW/CC Roll Call

22 Aug 2016

**Team McChord,**

The JBLM Airshow & Warrior Expo is this week! Over the last few years, budgetary constraints have prevented airshows and open houses from occurring across all of the Department of Defense’s installations. For many of us, this will be our first airshow while assigned here since the last one occurred in 2012.

For those that may not know, the Association of Defense Communities and the Defense Communities Caucus recently designated the South Puget Sound area as one of the 10 “Great American Defense Communities” in the United States. The local community consistently provides unwavering support to service members and military families. This week’s airshow and warrior expo is a way for us to say “Thank you for your support” to the greater Puget Sound community.

Airshows are also an invaluable opportunity to demonstrate what we do and the equipment we use every day. It will help educate the public on our weapons systems and capabilities. If you would like more information on the airshow be sure to check out [www.jblmawe.com](http://www.jblmawe.com).
