

*Airlift Excellence...Right Here...Right Now!*

**62 AW/CC Roll Call**

**27 September 2013**

**Team McChord,**

As you know, one of our highest priorities in the Air Force is fostering a culture of dignity and respect. On 7 October, I will be attending a summit on Sexual Assault Prevention and Response (SAPR) sponsored by our Chief of Staff. Before I go, I want to hear from you about how we're doing at Team McChord. In the next few days, I will be meeting with many of you to get your feedback. I encourage you to relay any questions or concerns you may have through your chain of command or the appropriate wing staff agency. Let's all work together to make sure Team McChord is a safe, supportive, and respectful place for everyone.

**Special Thanks**

I would like to offer my sincere thanks and appreciation to all the folks that volunteered at the many events that took place last week in honor of POW/MIA Recognition Day and the Air Force's 66<sup>th</sup> Birthday. These events are an important part of our military heritage and I am very grateful for all the hard work that went in to making them such a huge success!

*Last week, several senior Air Force leaders spoke at the annual Air Force Association's Air & Space Conference and addressed a wide range of issues that affect every Airman.*

*The Chief of Staff of the Air Force gave an awesome speech about the power of Airmen and the amazing things we do every day. You can see the video or read the transcript here: <http://www.af.mil/AboutUs/AFEvents.aspx>*

***Exercise for Heroes***

*The fitness center is kicking off a fantastic program called "Exercise for Heroes" to help keep all of us motivated to exercise now that Fall is here and rain has returned to Washington. You can sign up at the McChord Fitness Center or JBLM Main Wellness Center and start earning points towards prizes for every workout, fitness class, or event you attend. Visit the HAWC to learn more!*
