### 62 AW/CC Roll Call

### 5 December 2013

# Team McChord,

This Friday is **Wingman Day** and we have an outstanding line-up of raffles, guest speakers, and events planned that highlight our theme: <u>"Heroes and Heritage...Wingmen Through Time"</u>. Our United States Air Force has a rich heritage of Airmen looking out for one another and it is my sincere hope that you walk away from this event with a renewed appreciation for what it means to be a "wingman". One word that comes to mind when I think of being a good wingman is **courage**. It takes *courage* to tell a friend that he or she has had too much to drink. It takes *courage* to report an incident of sexual harassment or crude behavior. It takes *courage* to come forward and admit that you are struggling with substance abuse, PTSD, or suicidal thoughts. We need to <u>encourage courage</u> in our units, our relationships, and in ourselves. I look forward to hearing what being a wingman means to you!

#### Wingman Day Raffle

Over \$825 worth of prizes will be raffled off at Friday's Wingman Day, including a brand new **Xbox One!** Tickets will be handed out at booths set up throughout the event, so the more you participate, the better your odds of winning!

#### Tribute to the Troops - WWE Event

Next Wednesday (11 Dec), McChord Field is hosting a nationally televised wrestling event in hangars 3 & 4. Seating is limited, so talk to your unit

leadership to find out how to get tickets. This event will also be streamed live at the Warrior Zone and McChord Club, so you can watch all the action starting at 1900. This is a great opportunity to showcase Joint Base Lewis-McChord and our service members. To learn more, visit: http://www.jblmmwr.com/tributetothetroops/

#### Airmen Against Drunk Driving (AADD)

The holiday party season is here and unfortunately we typically see a rise in alcohol related incidences over the next several weeks. Please, have a plan to get home before you start drinking. If your plan fails, Airmen Against Drunk Driving is a great resource to get you and your vehicle home safely. Call (253) 982-2233 to learn more.
