

*Innovative Airmen...Airlift Excellence...Respect For All!*

62 AW/CC Roll Call

21 February 2014

Team McChord,

*I hope many of you had a chance to enjoy the extended weekend. Whether you had extra time off or were at work continuing to serve our nation, I hope you took time to reflect on **President's Day** and why it is special. We have been fortunate to have many great Presidents lead our nation during both prosperity and times of change. For example, while facing the changes and difficulties of the Great Depression, **President Franklin D. Roosevelt** led our nation to greater strength by developing government agencies with the vision to create jobs, restore national confidence and improve the economy. Similarly, as Airmen, we constantly face times of change and I'm always amazed at how resilient we are when faced with adversity or challenges like a high ops tempo, economic downturn, or force reductions. As an organization, we are the best in the world at Developing and Sustaining Airmen to Deliver Precision Global Airlift. But we can always improve how we communicate and take care of each other. We must be an organization that can **analyze our strengths and weaknesses, receive constructive feedback and implement changes to become stronger**. Continue to ask the tough questions and have your voice heard!*

Among the amazing transition assistance programs for our armed forces is a program called **Hire America's Heroes**. The HAH mission is to help service members and their families connect with major corporations for competitive job opportunities when leaving military service. HAH is offering a career day at CenturyLink Field next Friday. There will be hundreds of job seekers from the American Military Family and more than 50 employers at the superbowl-winning Seattle Seahawks' home field. Call 967-5599 to register for **complimentary transportation** between JBLM and the event; pickup will be in the BX parking lot by Papa John's at 0820. Visit [hireamericasheroes.org](http://hireamericasheroes.org) for more details.

**JBLM Shamrock 5K and 10K races will be held on Lewis Main on Saturday, 15 March. The races start at 11a.m. and participants will receive a T-shirt and an Irish banger sausage on a bun. Register for the race online at: [JBLMmwr.com/races](http://JBLMmwr.com/races)**

### PROFESSIONALS OF THE WEEK

SSgt Adam Johnson, 373rd TRS

SSgt Deven Robinson, 373rd TRS
