62 AW/CC Roll Call

18 April 2014

CLIMATE ASSESSMENTS

If you haven't completed the DEOCS organizational climate survey, please log in now and complete the quick assessment at <https://www.deocs.net/user4/login/login.cfm>. Unit leadership can provide an organization-specific login code—but don't delay—the survey is only open until 24 April 14!

Also, don't forget the IG UEI Capstone Survey! It's available at <https://www.research.net/s/62AW2014>. No login code is required.

Both anonymous surveys are your chance to weigh in on how things are going at McChord. **Be part of improving our Air Force!**

Team McChord,

As many of you know, April is the **month of the Military Child**. This is a great opportunity to recognize the sacrifices and contributions military children make that allow us to serve our nation. Frequent moves, dealing with the stress of deployments, and TDYs are all challenges of military life that our children face right along with us, and their resiliency in the face of these life-changing events is truly amazing. I grew up as a military child, so I understand just how hard it can be to change schools every few years and meet new friends. Please, take some time this month to say "thank you" to a military child and let them know how much you appreciate their service. You can also visit these websites to check out events, activities, and great stories about military families and their children:
