

Innovative Airmen...Airlift Excellence...Respect For All!

62 AW/CC Roll Call

8 May 2014

CLIMATE ASSESSMENTS—LAST WEEK!!

If you haven't completed the DEOCS organizational climate survey, please log in now and complete the quick assessment at <https://www.deocs.net/user4/login/login.cfm>. Unit leadership can provide an organization-specific login code—but don't delay—the survey is only open until 9 May 14!

Also, don't forget the IG UEI Capstone Survey! It's available at <https://www.research.net/s/62AW2014>. No login code is required.

Both anonymous surveys are your chance to weigh in on how things are going at McChord. **Be part of improving our Air Force!**

Team McChord,

This week I had an amazing opportunity to visit Scott Air Force Base and witness several historic changes of command that celebrated a legacy of excellence and continued hope for the future. General Paul Selva took command of USTRANSCOM from General William Fraser III, who is retiring after 40 years of service. In addition, General Darren McDew assumed command of Air Mobility Command and passed the torch of leadership of 18th Air Force to Major General Barbara Faulkenberry. USTRANSCOM, AMC, and 18th Air Force play a critical role in defining our global mobility mission and it is inspiring to know that these organizations are being led by such talented and dedicated leaders.

Air Force Scientific Advisory Board Visit

Next week, the Air Force Scientific Advisory Board will be visiting Team McChord as part of a Secretary of the Air Force commissioned study on combating sexual assault. The panel will be interviewing a small number of our Airmen to get your perspective on this very important issue. If you are selected to participate in this study, please speak openly and honestly to the panel members so we can continue to work towards driving the crime of sexual assault from our Air Force.

Team McChord Wingman / SAPR Day!

On 22 May, Team McChord will have a combined Wingman / SAPR Day. Our theme, "Duty to Intervene", stresses the responsibility and opportunity that all Airmen have to step in before it's too late. There will be a C-17 static display, refreshments, information tables, door prizes, and a burger burn for lunch. For more information or to find out how to volunteer, contact MSgt Kevin Cox or MSgt Russell Mattson.

PROFESSIONALS OF THE WEEK

A1C Justus Parker, 62 MXS

SSgt Mandy Morris, 62 MXS
