

Innovative Airmen...Airlift Excellence...Respect For All!

62 AW/CC Roll Call

16 May 2014

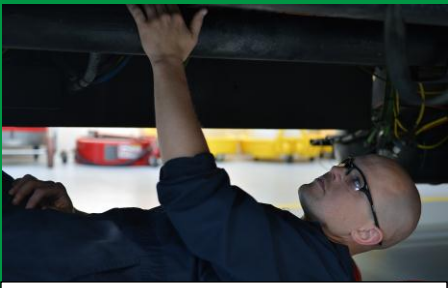

Team McChord,

Our 18th AF Commander, Maj Gen Barbara Faulkenberry, recently released her commander's intent, and I encourage all of you take a couple minutes to read her words on **leading our mission, leading our Airmen, and leading with integrity**. In particular, her message on "the power of one" should resonate strongly with all of us and links directly to our upcoming Wingman Day/SAPR Down Day theme--**Duty to Intervene**. Maj Gen Faulkenberry mentions the *power of one* is fueled by **integrity** and is manifested every time an Airman rights a wrong, takes action in the face of injustice, or steps in to save a Wingman. Whether it's speaking up when you hear an inappropriate comment, or stop a fellow Wingman from driving drunk...**THE POWER OF ONE AIRMAN** is in all of us. See you on Thursday!
