

Airlift Excellence...Innovative Airmen...Respect For All!

62 AW/CC Roll Call

22 December 2014

Team McChord,

The holiday season is in full swing! I've had the opportunity to stop by many of your unit holiday parties, and I can definitely tell that our Team McChord spirit is alive and well. It is that same spirit, which helps drive our Wingman culture all year-round. The joy that comes from making a difference in the lives of others, the recognition of the importance of personal accountability, and the selfless, dedicated service our Airmen give to our AF and our Nation should remind all of us just how fortunate we are to be a part of something so incredibly special. The holidays are a perfect time to take a step back and reflect upon the role each of us plays, not only in executing the mission, but also in strengthening the bonds that connect us as Wingmen. Make no mistake, the success of our AF isn't predicated solely on the accomplishments of individuals; but rather, is based on each of us recognizing and appreciating the unique skills, talents, and contributions of every Airman. As we head into the holidays and into 2015, let's continue to kindle that flame. **Be safe...and make good choices.** Remember, you are our most important asset. Thanks for what you do...**Have a happy holiday season and I very much look forward to seeing what great things we can achieve together next year!**
