62 AW/CC Roll Call

10 July 2015

Team McChord,

Welcome back from a HOT and beautiful 4th of July weekend and thank you for keeping it safe! Whether you traveled or enjoyed the local area, I hope you enjoyed some quality time with family and friends. It has been a busy week so far with plenty of change of command ceremonies and other events. All of these changes can be somewhat distracting...remember why we are here and remain focused on the mission...just as you have been doing. Your work ethic and professionalism have been nothing but impressive since I took command. I am truly humbled to serve you as your Wing Commander, and look forward to watching the best in mobility continue to execute the Team McChord mission!

Thanks to all the outgoing commanders for their contributions to Team McChord you will truly be missed!

Welcome to our new commanders!
