**62 AW/CC Roll Call**

**2 Sep 2015**

**Team McChord,**

You've had a great summer and I cannot thank you enough for all of the great work you've done for our nation and the local community. This weekend we celebrate Labor Day and for many of us this is a yearly milestone...the end of summer, back to school for the kids and the return of a much-needed Pacific Northwest drizzle! The AMC commander has deemed Friday a family day to give you back some time with your family and friends. I encourage you to take advantage of this opportunity and reconnect, possibly taking that day trip you have been meaning to go on or just spending time at home. I understand our mission sometimes does not afford a long weekend for all Team McChord Airmen and for that, I thank all of you for supporting our nation over the holiday. As always, whether you're working the flight line or spending much needed time with family and friends this weekend, ***Stay Safe...Make Smart Decisions...Have a Wingman and a Plan!***
