The McChord Way...Excellence, Innovation, Respect

62 AW/CC Roll Call

11 Dec 2015

Team McChord,

The winter holidays are fast approaching, and for many of us that means a chance to relax, visit with friends and family, and enjoy some much-deserved time off. As you're enjoying your break this holiday season, I urge you to celebrate safely.

Unfortunately, each year during the holidays we tend to see an increase in Airmen DUIs and alcohol related incidents. So as you're enjoying the festivities this season, *remember to continue to make good decisions, just as you have been doing all year long.*

If you're of age and you plan on having some drinks, *please have a detailed plan for how you're going to get home*...and have a back-up plan as well. After you've already begun drinking is *not* the time to start making those plans, so please *plan ahead!*

There is absolutely no reason someone should need to get behind the wheel of a car after they've been drinking. If you are in the local area, *Airmen Against Drunk Driving* is a great resource to get you and your vehicle home safely in the event your initial plans fall through. There are also taxis and plenty of other commercial options available to get you home safely. If you're stuck, call a friend, spouse, supervisor, or neighbor. But whatever you do, please *don't get behind the wheel if you've been drinking!*

Please keep these thoughts in mind as you celebrate the holidays this year, and *I wish you all* safe and happy holidays!

Airmen Against Drunk Driving (AADD)

Please, don't let a night out with friends and family end in tragedy. Come up with a plan to get home before you start drinking. If your plan fails, remember that

Airmen Against Drunk Driving is just a phone call away. Call (253) 982-2233 to learn more.
